

HARM REDUCTION IN PRACTICE

A BRIGHT INITIATIVE EVENT

OVERVIEW

This two-day event will bring together clinicians, researchers, and policy stakeholders to explore harm minimisation strategies and the future of high-THC prescribing in Australia.

The event is part of ANTG's BRIGHT Initiative – Building Research, Innovation, Growth and High-level Training – and supports sector-wide dialogue on patient safety, regulatory alignment, and product innovation.

EVENT 1

WEBINAR

- 📅 Tuesday 24 February 2026
- ⌚ 6:00pm–7:00pm AEDT / 5:00pm–6:00pm AEST
